VINTAGE LUMINAIRE

An Admiral Staging fixture with a vintage look because retro chic is absolutely en vogue!

Use these decorative fixtures for you TV shows, theatre productions or for live bands to add visual impact to an area and create the right ambiance.

KEY FEATURES

True1 IP65 In / Out

The Vintage fixture has a IP65 connection for professional use and equipped with a Seetronic true1 conector.

Interlinkable

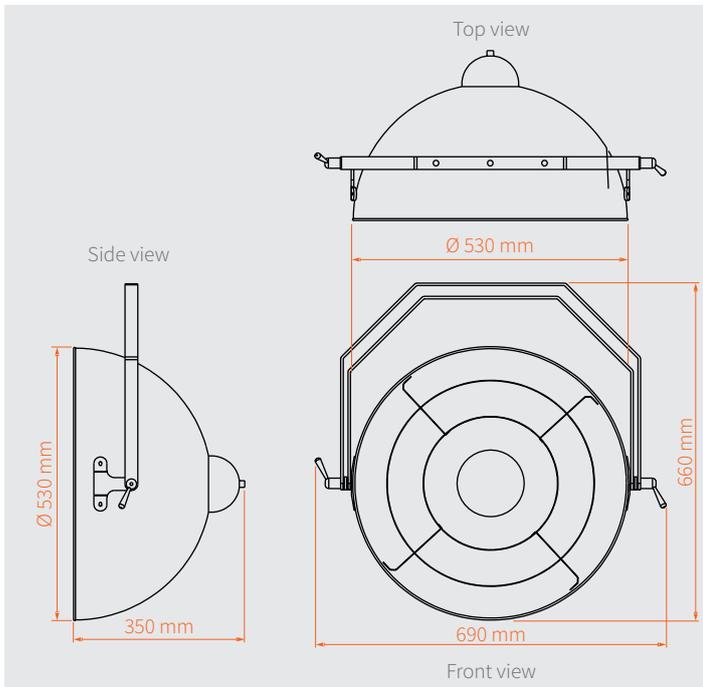

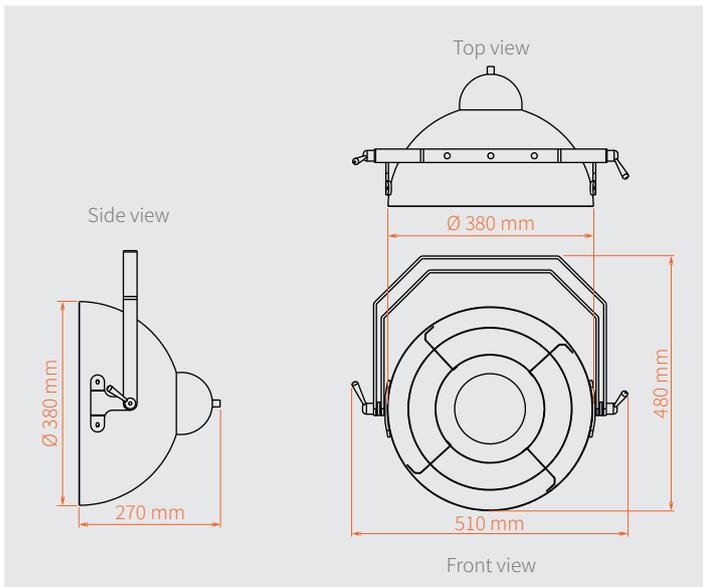

Create an impressive setup by interlinking several Vintage luminaires using the two sturdy brackets.

Adjustable brackets

The brackets allow you to use the Vintage in multiple ways. You can hang it on a Drop arm, mount it on a tripod by using one bracket or you can place it on the floor by using both.
