

## RRCF4

We've really outdone our selves this time! A Road Ready World Exclusive, our new RRCF4 Cool Rack Panel is the ultimate accessory for keeping your rack cool as can be. Designed to fit into any of our amp, effect or slant rack models, this ingenious panel is 2u high and features our exclusive, cool-tone fans. The RRCF4 can be mounted in the front or back of your rack and tilted at any angle so you can blow out hot air or suck in cool air ( Or both! If you use two panels) into or out of your rack depending on your needs. Keeping it Cool... the

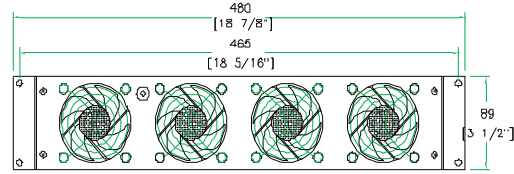

Road Ready way!
