

THEVA N°3

Product sheet

MADE IN
FRANCE

Theva N°3 is the flagship model of the Theva range. Boasting an Aluminium/Magnesium TNF tweeter and three Slatefiber speaker drivers, listening experiences become dynamic, precise and powerful. With its high-quality sound rendering, its sleek design and refined finishes, it is the three-way high-fidelity loudspeaker par excellence. Thanks to the tilt of its stand, Time Alignment provides an optimal soundstage, more focused on the listener for flawlessly precise listening experiences.

Key points

- Slatefiber technology for dynamic, rich and balanced listening experiences
- Better sound image thanks to Time Alignment; sound focused on the listener
- Refined and harmonious design; light stand and grille for the Light Wood finish
