

## HCMS-60 WPW

### 60W Waterproof Column Speaker Pair - White

HCMS WP column speakers combine slim and elegant look with sturdiness and quality of materials for both indoor and outdoor applications.

Housing, grille and transducers are all made of waterproof and anti-rust materials, to increase overall durability, even in hostile environments where humidity and saltiness attack strongly.

The 2-way design (with 3" woofer + 1" tweeter) and the quality of the transducers guarantee good sound quality; the power selector facilitates installation with any type of constant voltage or low impedance line.

The wall-mounting bracket allows Pan/Tilt adjustment. They are available in two size/power, and Black or White finish.

## PRODUCT DETAILS

### Key features

Waterproof Design (IP66), suitable for outdoor and indoor applications
Slim and elegant appearance
2-Way Design with 3" woofer and 1" Tweeter for High-Resolution Sound
Suitable for 70V/100V and Low-Impedance Lines
